These relief periods should be scheduled at off-peak hours so that the remaining Board members can fill in for the duties of the absent member until he or she returns.

It is a violation of the Election Code for any unauthorized person to assist in the conduct of an election, during relief periods or at any other time during the course of an election.

Attend a training seminar. Election Board Training Seminars usually start in early March for the Primary Election and early September for the General Election. Election Board Officials who were elected or appointed by the Philadelphia Court of Common Pleas will receive notice of the Training Seminar dates and times for their Ward/Division approximately two weeks in advance. Judges of Election should contact Election Board Officials to remind them of the training date. Election Board Officials may also call the County Board of Elections by calling 215-685-4811 to inquire about training dates, or check our website, www.philadelphiavotes.com.

Review the training guide. Election Board Officials will be provided with a copy of this Election Board Official Training Guide at the Training Seminar. Read the Guide carefully before Election Day.

Watch the Voting Machine training video. Training videos will be available on www.philadelphiavotes.com

Pick up the Election Materials Box. Election Materials Boxes are distributed the Saturday, Sunday, and Monday before Election Day. Materials may be picked up on Saturday or Sunday from 8:00 AM to 8:00 PM. Materials MUST be picked up by 4:30 PM on Monday. The Judge of Election, or someone designated by the Judge with the consent of the Minority Inspector, must pick up the Election Materials Box containing all needed documents and supplies for conducting the election. Distribution locations for each Ward can be found in this Election Board Official Training Guide. The key for the ExpressVote XL and the Election Code will be provided with the Elections Materials Box.

Check the polling place and voting devices. The Judge of Election with the assistance of the other Election Board Officials should check the Division’s polling place the weekend before Election Day to ensure that the correct voting devices have been delivered for the Ward and Division. There is a Ward and Division Number Card in the vinyl pocket located near the handle on each ExpressVote XL in the Division. If the wrong devices were delivered, or none were delivered, contact the Voting Machine Warehouse at 215-686-3944.
OPENING THE POLLING PLACE

☐ Check that the Division has the correct voting devices. Check the Ward and Division Number Card in the vinyl pocket on each ExpressVote XL in the Division. If they are designated for a different Division, and there are other Divisions in the same building, check the card on the other ExpressVote XLs. If the correct devices were not delivered to the building, call the Election Day Hotline at 215-686-1590.

☐ Turn on the Cell Phone. Each Election Board is offered a cell phone to be used for language interpretation services and communication with the County Board of Elections. It must be turned on at the beginning of the day.

☐ Post All Notices and Signs. Federal and State Laws require that District Election Officials post certain Bilingual English/Spanish Notices both within and outside the polling place so that voters can see them before they begin the voting process. All of the
notices that are required to be posted at each polling place are bilingual, with English on one side and Spanish on the other side. Many of the items may be found in a large gold envelope with red text on the front, with the heading “Attention: Judge of Election.” The Absentee Voters List (if any) will be brought to the polling place by a police officer. These signs must be posted BEFORE the polls open, and in locations where all voters can easily view them.

**ACCESSIBILITY FOR DISABLED AND ELDERLY VOTERS**

The City Commissioners, in some cases, utilize temporary modifications at polling places to provide independent access for disabled voters. If your polling place has been provided a temporary modification it must be in place before the polls open on Election Day.
**Portable Ramps**
Portable aluminum ramps will be delivered with the Voting Machines to specific polling places that require them. The ramp must be set up when the polls open in the morning and remain in place until the polls close, so it is available to voters who use wheelchairs. Upon closing the polling place at the end of day, place the ramp with the Voting Machines for pickup where they were in the morning before the polls opened.

If you were notified that your Division requires a portable ramp but a ramp was not delivered with the Voting Machines, the ramp may have been delivered with the machine for another Division. Check other Divisions with polling places in the same building. If the ramp was not delivered to the building, call 215-686-1523 immediately.

**Door Stops**
A polling place may have a heavy steel door, a door with knobs or hardware that make it difficult for elderly voters or voters with disabilities to open, or a door without any handles or hardware. These Divisions will receive doorstops, which can be found in the bottom of the odd numbered Voting Machine. Upon closing the polling place at the end of day, please return the doorstops to the bottom of the Voting Machine.

**Door Threshold Mats**
The entrance to a polling place building may have a door threshold that is higher than ½” that must be modified. The threshold mats will be given to the polling place proprietor prior to Election Day. Please work with the other Election Board Officials to place the rubber mat across door thresholds for which they are necessary. The rubber mat must be in place when the polls open in the morning and remain in place until the polls close. Upon closing the polling place at the end of day, please place the rubber mat on the floor next to the Voting Machines for pickup where they were in the morning before the polls opened.

**Doorbells**
If it has been determined that a doorbell is required at your polling place, one will be packed in the Election Materials Box of one of the divisions located at your polling place. Please follow the instructions included with the doorbell to ensure the doorbell is attached to the door at the proper location. Please test the doorbell in the morning when you are setting up the polling place. If it does not work please contact our office at 215-686-1523 and we will send a replacement doorbell out to the polling place.

**Alternative Entrance**
During the weekend immediately prior to Election Day department personnel will post “Alternative Accessible Entrance” signs at the main entrance of all polling place facilities where an Alternative Entrance is designated to provide access for the disabled. All Divisions with a designated alternative entrance will receive extra posters in the Election Materials Box. The Elections Materials Boxes in these Divisions will also contain extra “Alternative Accessible Entrance” door signs in case they are needed.
Please check with facility personnel to make certain that the alternative entrance is unlocked and available for use. Additionally, check to ensure that the signs posted by department personnel are still affixed to the wall at the main entrance and any alternative entrances. If these signs have been removed, please affix the spare Alternative Entrance signs in the Election Materials Box where necessary. Signs must be clearly visible, and at a reasonably low height, so that a person in a wheelchair can easily see and read them.

**VOTING PROCEDURES**

Election Board Officials must adhere to the following procedures for each voter who arrives at the polls to vote on Election Day:

1. **Check the poll book.** The Election Board officer in charge of the poll books must locate the voter’s name in the poll book and call out the person’s name so that others in the polling place can hear it.
   
   a. If the person’s voter registration record **IS** listed in the Division’s poll book, then they are registered and eligible to vote. Proceed to step #2.
   
   b. **Check supplemental poll book pages (if any).** Election Officials should check any supplemental poll book pages. Supplemental poll book pages are located in a manila envelope that was provided along with the Election Materials Box. If you cannot locate the supplemental poll book pages, call 215-686-1530. If the person's voter registration record is listed in the supplemental poll book pages, then they are registered and eligible to vote. Proceed to step #2.
   
   c. If the person’s voter registration record **IS NOT** listed in the Division’s poll book, proceed to step #4.

*For voters whose names ARE listed in the poll books:*

2. **Check the voter’s poll book signature box.** Check the voter’s signature box to determine if the voter is required to provide identification or complete an Affirmation of Elector form before signing the poll book. Check for the following messages:
   
   a. **No message** - If the box is empty, with no messages, this means the voter is an active voter. An Election Board Official shall enter his or her own initials and the voter’s Admission Number in the appropriate boxes on the voter’s record in the poll book. The voter must then sign the signature box. Once the voter has signed the poll book, an Election Board Official shall hand the voter a paper ballot and direct them to the next available ExpressVote XL.
   
   b. **“No Signature on File”** – If the box says “No Signature on File,” this means the Voter Registration Office was unable to capture an image of the voter’s signature
from the voter’s registration application. However, the voter is eligible and MUST be permitted to vote. Election Board Officials should follow the procedures for eligible voters in the “No message” section above.

c. “Affirmation Required” - If the box says “Affirmation Required,” this means the voter is an inactive voter. The voter must complete an “Affirmation of Elector” form BEFORE signing the poll book. The voter must print his or her name and date of birth at the top of the form, complete Section A or B (whichever is applicable), and complete and sign Section C. An Election Board Official shall then enter his or her own initials and the voter’s Admission Number in the appropriate boxes on the voter’s record in the poll book. The voter must then sign the signature box. Once the voter has signed the poll book, an Election Board Official shall hand the voter a paper ballot and direct them to the next available ExpressVote XL. The department will use the information on the Affirmation of Elector forms to update the voter’s registration record after Election Day.

d. “ID Required” - If the box says “ID Required,” then this voter is voting in that Division for the first time. Federal and State laws require that first time voters provide identification before voting. The voter must provide one of the approved forms of identification BEFORE signing the poll book. The approved forms of identification are listed in this guide. Once the voter has provided an approved form of identification, an Election Board Official shall enter his or her own initials and the voter’s Admission Number in the appropriate boxes on the voter’s record in the poll book. The voter must then sign the signature box. Once the voter has signed the poll book, an Election Board Official shall hand the voter a paper ballot and direct them to the next available ExpressVote XL.

i. NOTE: If a voter whose signature box is marked “ID Required” is unable or unwilling to provide one of the approved forms of identification listed in this guide but still desires to vote, that voter MUST vote by Provisional Ballot.

e. “Affirmation & ID Required” - If the box says “Affirmation & ID Required,” the voter must complete and sign the “Affirmation of Elector” form AND produce an approved form of identification, in accordance with the procedures in items (c) and (d) above.

3. Make a record of the voter in the yellow Number 2 and Number 4 books. An Election Board Official must write the name and party affiliation of each voter casting a ballot on the voting machines, and the associated Admission Number, in BOTH the yellow Number 2 and Number 4 books, beginning on the first page. The Admission Number should be entered into the “Order of Voting” column. Names should be entered into the yellow Number 2 and Number 4 books according to the order in which voters signed the poll books (i.e. the voter Admission Number 1 should be the first
name in the Number 2 and Number 4 books, Admission Number 2 is the second name, etc.) The Number 2 and Number 4 books should contain identical information.

For all persons who cast a Provisional Ballot, an Election Board Official must write the name and the abbreviation PROV, instead of a number, in the appropriate spaces in the BACK of both the Number 2 and Number 4 books.

For all voters listed on the Division Absentee Voters List, an Election Board Official must write the name and the abbreviation AB, instead of a number, in the appropriate spaces in the BACK of both the Number 2 and Number 4 books.

For voters whose names ARE NOT listed in the poll books:

4. **Re-check the poll book and supplemental poll book sheets (if any) carefully to ensure that the voter’s name is not listed.** If the voter’s name is not listed in the Division’s poll book or on the supplemental sheets, Election Board Officials should do the following:
   a. **Ask for the voter’s Voter Registration Card.** Election Board Officials should ask to see the voter’s Voter Registration Card to ensure that the voter is at the right Division polling place.
   b. **Check under the voter’s prior last name or alternate spellings.** If the voter was recently married or has otherwise had his or her name changed, Election Board Officials should check the poll book to see if the voter is listed under a prior last name. If the voter has a hyphenated last name, or has more than one last name, check all variations of the name, (i.e., for Smith-Doe, check both Smith and Doe).
   c. **Call the voter registration office.** If the voter’s name cannot be located in the poll book or supplemental poll book pages under any variation of the voter’s name, an Election Board Official or the voter should call the Voter Registration office at any of these numbers:
      - 215-686-1590
      - 215-686-1500
      - 215-686-1509
      - 215-686-1505

   Department staff will check the central computer files to determine the voter’s eligibility and to inform the voter of his or her correct polling place.

5. **Provide the Voter with a Provisional Ballot.** If Election Board Officials are unable to locate the voter’s name in the poll book or supplemental poll book pages under any variation of the voter’s name, and the Voter Registration office cannot locate the voter’s
record in the central computer files, then the person MUST be afforded the opportunity to vote by Provisional Ballot. Detailed information regarding the procedures for voting by Provisional Ballot may be found in this guide.

NOTE: Election Board Officials are NOT PERMITTED to grant an individual the right to vote on the Voting Machines if the voter’s name is not listed in the poll book or supplemental sheets, even if the Election Board Officials believe the registration records to be in error.

COURT ORDERS

Voters who appear at a polling place with a court order MUST vote by Provisional Ballot UNLESS the voter’s registration record is found in the Division’s poll book. Election Board Officials must check the poll book BEFORE providing the voter with a Provisional Ballot.

Election Board Officials must adhere to the following procedures for each voter who arrives at the polls with a court order to vote on Election Day:

1. **Check the poll book.** If a person appears at the polling place with a court order, check the poll book **before** providing the voter with a Provisional Ballot.
   a. If the voter’s name IS listed in the poll book, write “In Poll Book” on the court order, and follow the procedures outlined in this guide for voters whose names are listed in the poll book.
   b. If the voter’s name is **not** listed in the poll book, then the voter must vote by Provisional Ballot. Detailed information regarding the procedures for voting by Provisional Ballot may be found in this guide.

FIRST-TIME VOTERS AND APPROVED FORMS OF IDENTIFICATION

If a voter’s signature box says “ID Required” in light grey, then this person is voting in the Division for the first time since registering at their address. Federal and State laws require that first time voters provide identification before voting. The voter must provide one of the following approved forms of identification BEFORE signing the poll book:

Approved forms of photo identification (must be **valid**):
- PA Driver’s License or ID card issued by PennDOT
- ID issued by U.S. Government
- ID issued by any Commonwealth of Pennsylvania Agency
- U.S. Passport
- U.S. Armed Forces ID
- Student ID
- Employee ID
If the first time voter does not have any of the above forms of approved photo identification, then the voter may provide any of the following approved forms of non-photo identification.

Approved forms of non-photo identification (must include the voter’s name and address of registration):

- Voter Registration Card issued by the Voter Registration Office
- Non-Photo ID issued by the Commonwealth of Pennsylvania
- Non-Photo ID issued by the U.S. Government
- Current bank statement
- Current utility bill
- Current paycheck
- Government check

Note: If a voter whose signature box is marked “ID Required” is unable or unwilling to provide one of the approved forms of identification listed above, that voter MUST be permitted to vote by Provisional Ballot.

REPORTING NECESSARY POLL BOOK CHANGES

Each Division will be provided Discrepancy Sheets. The Discrepancy Sheets may be found in the Election Materials Box. Election Board Officials should use the Discrepancy Sheets to inform the City Commissioners of any changes that should be made to voter registration records.

The City Commissioners will use this information to:

- Correct errors to voters’ name or date of birth information
- Confirm and remove records of voters who are reported as deceased
- Begin the Voter Removal Program by designating records as “Inactive” and mailing Address Verification Notices to registrants that Election Board Officials report as having moved out of a Division

Inactive Voters

Federal and State laws require that the City Commissioners conduct a Voter Removal Program once a year and mail a forwardable Address Verification Notice (AVN) or Five Year Notice to the address listed in the voter’s registration record. These notices include a response form and a postage-paid, pre-addressed return envelope for the voter’s response. The department uses information from the United States Post Office, PennDot, and poll book Discrepancy Sheets to trigger the mailing of an AVN or Five Year Notice. Voters who have not voted in any election for at least five years also receive such mailings.

Voters who do not respond to the notices are designated as “Inactive”. Inactive voters’ registration records will be updated to reflect a new address, if this information can be obtained
from the Post Office. An asterisk will precede each inactive voter’s name on the Division Street List, and the inactive voter’s signature box in the Division’s poll book will say “Affirmation Required”. Detailed information on receiving inactive voters at the polls on Election Day can be found in this guide. The department will use the information on the Affirmation of Elector forms to update the voter’s registration record after Election Day.

Cancellation of Records
Federal and State laws require that the department follow certain procedures before canceling the registration of a voter who has moved. Voters who do not respond to the AVN or Five Year Notice form, fail to contact our office, and do not vote by the 2nd Federal General Election after the mailing of the notice, will have their registration record cancelled. Inactive voters whose registrations are cancelled will be removed from Division poll books and street lists after the expiration of the prescribed time period, which always falls in December of each even numbered year.

Affirmation of Electors
If a registered elector has moved, without notifying the Commission, the voter must be permitted to vote at their former polling place where their name should remain in the poll book. The voter should inform polling place officials of the address change by completing Sections A and C of an Affirmation of Elector form (Illustrated above). After the election, the Voter Registration Office will use the Affirmation information to update the registration record and transfer it to the elector’s new division poll book, if necessary.

PROVISIONAL BALLOTS

Provisional voting is a fail-safe voting process mandated by Federal law, to ensure that registered voters are not denied the right to vote. A provisional ballot is a paper ballot that is printed in the same format as other paper ballots or Absentee Ballots.

Provisional ballots may be used by voters under many circumstances, such as if they are not listed in a Division’s poll book, are unable to provide an approved form of identification when required or are incorrectly told they are ineligible to vote by Election Board Officials.

If you have questions about Provisional Voting or are running low on Provisional Ballots on Election Day, call 215-686-1530.
PROVISIONAL BALLOT SUPPLIES

The Division’s supply of paper provisional ballot packages and the provisional ballots are in a large green envelope, marked “Provisional Ballot Materials Envelope D,” in the Elections Materials Box. This envelope should contain:

1. Provisional Ballot Packages
2. Provisional Ballots (white paper with a green stripe)
3. One (1) Provisional Voting Return Envelope C
4. Yellow “Machine Down” Stickers

A Provisional Ballot Package contains the following:

1. One (1) Secrecy Envelope
2. One (1) Provisional Ballot Affidavit Envelope B (green)
3. One (1) Provisional Ballot Instruction Card (white)
4. One (1) Provisional Ballot Receipt
5. One (1) Pen

The Provisional Ballots are printed on white paper with a green stripe across the top of the page, and they are packaged separately from Provisional Ballot Packages.

ELIGIBILITY FOR VOTING BY PROVISIONAL BALLOT

An individual who wants to vote in a polling place but who cannot vote on the machine MUST be provided the opportunity to cast a Provisional Ballot. A voter must be offered a provisional ballot under the following circumstances:

1. **A voter’s name does not appear in the Division’s poll books or supplemental poll book pages.** If an individual claims to be properly registered and eligible to vote in a Division, but the voter’s name and voter registration record is not found in the Division’s poll books or supplemental poll book pages.
   a. **NOTE:** If a voter’s name does not appear in the Division’s poll books or supplemental pages, the voter may be at the wrong polling place. Before providing this person with a provisional ballot, Election Board Officials should call, or else have the voter call, the central Voter Registration Office at 215-686-1590 to determine the person’s registration status and proper polling place location. The Election Board should encourage the voter to go to his or her proper polling place but must provide the voter with a Provisional Ballot if he or she insists on staying.

2. **The voter is a first-time voter without proper identification.** Federal and State laws require that a voter appearing to vote in a polling place for the first time must provide an approved form of identification before being permitted to vote on the Voting Machines. A list of approved forms of identification may be found in this guide. If the voter’s name
is listed in the Division’s poll books with “ID REQUIRED” printed in the signature box, but the individual is unable or unwilling to show a form of identification as required by the Election Code, or the Judge of Election challenges the elector’s identification, this voter may be provided with a provisional ballot.

3. **There is a question regarding a voter’s eligibility to vote.** If an Election Official asserts that the individual is not eligible to vote in the Division, the voter may be provided with a provisional ballot. In a Primary Election, this includes an individual who claims to be registered for a particular political party, but whom the general register lists as registered as a member of another political party or no political party.

4. **Half or more of the Voting Machines in the Division are not working.** If half or more of the Voting Machines in the Division are not working, the voter has the right to vote by provisional ballot if he or she doesn’t want to wait to vote on a Voting Machine. This provisional ballot will be considered an **emergency ballot** and the Judge of Elections should place a yellow label which reads “machines down” on the #2 section of the provisional ballot affidavit Envelope B.

There are some circumstances under which voters may ONLY vote by provisional ballot, and may NOT cast a vote on the Voting Machine. A voter may ONLY vote by provisional ballot if:

1. **The individual has a Federal or State court order.** If a person appears at your polls with a court order, check the Division’s poll books and supplemental poll book pages for his or her name BEFORE providing the voter with a provisional ballot.
   a. If the voter’s name IS FOUND in the Division’s poll book or supplemental poll book pages, the person must be permitted to vote on the Voting Machine.
   b. If the voter’s name IS NOT FOUND in the Division’s poll book or supplemental poll book pages, the voter may only vote by provisional ballot.

2. **There is a court ordered extension of a polling place closing time.** If an individual is voting as a result of a court order extending the time established for closing the polls by State law, which is in effect 10 days before an election, the voter may only vote by provisional ballot. This is only in cases of an emergency when the Courts have ordered the polls to remain open later than 8:00 PM.
   a. **NOTE:** Voters who are inside the polling place, or in line to enter the polling place by the normal 8:00 PM closing time, are required to vote on the Voting Machines unless prohibited by reasons 1 and 2 above.

3. **FOR PRIMARY ELECTIONS ONLY: Incorrect political party.** Voters who believe that their political party affiliation as listed in the poll book is incorrect may vote by provisional ballot for the party with which they believe they should be registered.
   a. **NOTE:** The Voter Registration Office will review either the voter’s original registration application, or images of the original registration application, to determine the political party of record. If the voter casts a provisional ballot for a party with which he or she is not registered, then the provisional ballot will be
REJECTED as ineligible and not counted for any elective offices. If there are questions on the ballot, then the votes cast for the questions WILL still be counted.

PROVISIONAL BALLOT VOTING PROCEDURES

If the Judge of Elections, or Inspectors of Election, determine that a voter is eligible or required to vote by provisional ballot, the Judge of Elections shall adhere to the following procedures:

1. **Enter the voter’s name into the Number 2 and Number 4 Books.** A voter who is voting by provisional ballot may NOT sign the District poll book. The Clerk must write the voter’s name in the back of the Number 2 and Number 4 Books, writing “PROV” instead of an admission number.
   a. NOTE: The Judge of Election MUST verify that the individual is not listed on the Absentee Voters List (if any) delivered by the Police in the morning. If the individual is listed on the Absentee Voters List for the Division, the Judge of Elections must write “VOID-Voted by Provisional” on the Absentee Voters List next to the individual’s name.

2. **Provide the voter with a Provisional Ballot Package and a Provisional Ballot.** The Judge of Elections shall provide the individual with BOTH a Provisional Ballot Package and a Provisional Ballot.

   A Provisional Ballot Package contains the following:
   a. One (1) Secrecy Envelope
   b. One (1) Provisional Ballot Affidavit Envelope B (green)
   c. One (1) Provisional Ballot Instruction Card (white)
   d. One (1) Provisional Ballot Receipt
   e. One (1) Pen

   The Provisional Ballots are printed on white paper with a green stripe across the top of the page, and they are packaged separately from Provisional Ballot Packages.

3. **Witness proper completion of Section #1 of the Provisional Ballot Affidavit Envelope B.** The Judge of Elections and the Minority Inspector must witness the voter complete and sign Section #1 of the Provisional Ballot Affidavit Envelope B.
4. **Complete Section #2 of the Provisional Ballot Affidavit Envelope B.** BEFORE the ballot is marked by the voter, the Judge of Elections and the Minority Inspector must complete and sign Section #2 of the Provisional Voter Affidavit Envelope B.

5. **The voter completes the Provisional Ballot.** The voter should be directed to an area within the polling place where he or she may complete the ballot in private. The voter follows the instructions on the Provisional Ballot Instruction Card in completing the ballot.

6. **The voter returns the Provisional Ballot.** After sealing the ballot and Secrecy Envelope in the Provisional Ballot Affidavit Envelope, the voter must return the completed ballot to the Election Board Official table. The voter must sign and date Section #4 of the Provisional Ballot Affidavit Envelope B in the presence of the Judge of Elections or Inspector.
   a. **NOTE:** The Judge of Elections and Minority Inspector MUST witness the voter sign and date the Affidavit in Section #4 of the Provisional Ballot Affidavit Envelope B. In doing so, the voter confirms that he or she claims to be properly registered and eligible to vote at the Division where he or she has appeared to vote.
   b. **NOTE:** The Judge of Elections MUST check to make certain the voter has completed all information, and signed both Section #1 and Section #4 of the Provisional Voter Affidavit Envelope B.

7. **Affix the Ballot Identification Number to the Provisional Ballot Envelope.** The Judge of Elections must affix the adhesive Ballot Identification Number, found on the Provisional Ballot Receipt, to the space provided on the bottom right hand corner of Provisional Ballot Affidavit Envelope B.

8. **Provide the voter with a receipt.** The Judge of Elections must give the receipt with the corresponding Ballot Identification Number to the voter, and inform the voter of the website and toll free number where the individual can learn whether the Provisional Ballot was counted, partially counted, or not counted, as well as the reasons for partially counted or not counted ballots. The website and phone number are printed on the Provisional Ballot Number receipt.

9. **Place the voted Provisional Ballot in Provisional Voting Return Envelope C.** All voted and sealed Provisional Ballots will be returned in Provisional Voting Return Envelope C at the end of Election Day.
ABSENTEE BALLOTS

You will receive an Absentee Voters List which will contain the name, address, date of birth, and political party affiliation of all electors who have returned an Absentee Ballot to the County Board of Elections by the legal deadline. *(If any Absentee Ballots were cast in your division)*

Election Board Officials must use the Absentee Voters List to record the names of:

1. All voters who appeared at the polling place, voided their Absentee Ballot by signing the green duplicate copy of their Absentee Ballot application, and voted in person on the Voting Machines or by Provisional Ballot.
2. All voters whose Absentee Ballot has been challenged by any district Election Board member or certified Poll Watcher.

Record these names in the yellow Number 2 and Number 4 books. Election Board Officials must write the name of each voter who has cast a vote by Absentee Ballot, and whose name therefore appears on the Absentee Voter List, in both the yellow Number 2 and Number 4 books, beginning on the last page. Officials should write “AB” instead of an Admission Number in the “Order of Voting” column at the end of the day.

*NOTE:* After the polls have closed, place the Absentee Voter List into the Cartridge-Results Bag for police pickup; place the green duplicate copies into your Election Materials Box; and return any cash deposits and a copy of the receipt to the County Board of Elections in the Number 2 Envelope which should be placed inside the Election Materials Box.

VOIDING ABSENTEE BALLOTS

Absentee Ballots must be voided under the following circumstances:

1. **The voter voted in person on a Voting Machine on Election Day.** If a voter whose name is listed on the Absentee Ballot List appears at the polling place and wants to void their Absentee Ballot and vote on the Voting Machines, an Election Board Official must do the following before allowing the person to vote:
   a. Have the voter sign the Void section of the green duplicate copy of their Absentee Ballot application. These green duplicates were provided to each Election Board in a manila envelope with the Election Materials Box.
   b. Write “VOID-Voted in Person” next to the voter’s name on the Absentee Voters List.

2. **The voter voted by Provisional Ballot.** If a voter whose name is listed on the Absentee Ballot List appears at the polling place and wants to void their Absentee Ballot and vote in person, and *if for any reason* the voter must vote by Provisional Ballot, an Election Board Official must do the following before allowing the person to vote:
a. Have the voter sign the Void section of the GREEN duplicate copy of their Absentee Ballot application. These green duplicates were provided to each Election Board in a manila envelope with the Election Materials Box.
b. Write “VOID-Voted by Provisional” next to the voter’s name on the Absentee Voters List.

3. **The voter is deceased.** If it is known that a voter on the Absentee Voter List has died before the opening of the polls, an Election Board Official may do the following to void the deceased voter’s Absentee Ballot:
   a. Write “VOID–Deceased” in the Void section of the GREEN duplicate copy of the voter’s Absentee Ballot application.
   b. Write “VOID–Deceased” next to the voter’s name on the Absentee Voters List.

**CHALLENGES TO ABSENTEE VOTERS**

At the beginning of the day, announce the name of each voter listed on the Absentee Voters Lists (if any) to give any certified Poll Watcher present the opportunity to challenge. Challenges to Absentee Ballots may ONLY be accepted for any of the following circumstances:

1. The Absentee Voter is not a qualified elector of the Division.
2. The Absentee Voter who has claimed a necessary absence was in fact present within the municipality of residence during the time when the polls were open.
3. The Absentee Voter who has claimed illness or physical disability was in fact physically able to appear at the polls (EXCEPTION: elderly and handicapped voters assigned to an inaccessible polling place and who therefore voted by Alternative Ballot).

**Challenge Procedures:**
If any Absentee Voters are challenged, an Election Board Official must do the following:

1. Write “CHALLENGED” in the Void section of the green duplicate copy of the voter’s absentee application. These green duplicates were provided to each Election Board in a manila envelope with the Election Materials Box if anyone applied for an Absentee Ballot.
2. Write “CHALLENGED” next to the voter’s name on the Absentee Voters List.
3. A deposit of Ten Dollars ($10.00) in cash must be submitted by the Poll Watcher for EACH Absentee Voter challenge. The challenger must be provided with a deposit receipt (found in the Election Materials Box).
CHALLENGES TO IN-PERSON VOTES ON ELECTION DAY

This section contains information regarding challenges of in-person voters on Election Day. For information on challenging Absentee Ballots, see the Absentee Ballot section of this guide.

Any Election Board Official, certified Poll Watcher, or voter present at the polls has the right to challenge an individual’s right to vote on the grounds of identity, even if the voter’s registration record appears in the Division’s poll book.

For voters who have moved outside of a Division - A voter whose registration is found in a Division’s poll book may NOT be challenged on the grounds that the voter has moved to a residence outside of that Division. Voters who have moved out of the Division, and whose registration record appears in the poll book for that Division, are permitted to return to their former polling place to vote one last time, provided they affirm their new address by completing the Affirmation of Elector form. After Election Day, the Voter Registration Office will transfer the voter’s registration to the correct Division for the voter’s current address.

For first-time voters – A voter who is voting in a Division for the first time since registering, and whose name is listed in the Division’s poll books with “ID REQUIRED” printed in the signature box, may NOT be challenged. These voters CANNOT be required to produce a qualified elector of the Division as a witness. A first time voter whose name is listed in the Division’s poll books with “ID REQUIRED” printed in the signature box merely needs to provide one of the approved forms of identification

Challenge Procedures

A challenge does not, in itself, preclude an individual from voting at the polls on Election Day. However, the following steps must be taken before a voter whose eligibility has been challenged may be permitted to vote:

1. The voter must take an Oath and sign a Challenge Affidavit. A voter whose eligibility has been challenged must be put under Oath by the Judge of Elections. The voter must also sign the Challenge Affidavit. Any individual under Oath who fails to tell the truth commits perjury, and is subject to any and all penalties provided for in the Election Code.

2. The voter must produce a qualified voter as a witness. The voter whose eligibility has been challenged then must produce one qualified voter from the Division who shall serve as a witness. The qualified voter must swear under oath that the voter in question is in fact eligible to vote in the Division. The witness must also sign the Challenge Affidavit.
3. The voter must be permitted to vote. Once a voter whose eligibility has been challenged completes and signs the Challenge Affidavit and produces a qualified voter from the Division as a witness, the voter must be permitted to vote.

ILLEGAL OR INAPPROPRIATE BEHAVIOR ON ELECTION DAY

It is a violation of the Pennsylvania Election Code to:

1. Permit Election Board officials to serve without having been sworn in.
2. Permit illegal voting assistance.
3. Make false entries on official documents.
4. Destroy or alter registration affidavits, results receipts/tapes, or any other official records.
5. Permit ineligible voters to cast a vote.
6. Bribe or attempt to bribe voters.
7. Tamper with Voting Machines.
8. Intimidate, harass, or otherwise deter Poll Watchers from working at a polling place.
9. Permit a voter to see his or her signature on the registration record before signing the poll book.
10. Assault anyone at a polling place.

The above list covers only a few of the possible violations of the Election Code which could occur at the polls on Election Day. The Elections Materials Box contains a Penalties card with a complete list of violations and penalties. Election Board Officials should be familiar with election procedures and the different types of inappropriate or illegal behavior so as to avoid unknowingly violating the law.

The best way for Election Board Officials to become familiar with the Election Code is by attending both an Election Seminar and thoroughly studying this guide. The City Commissioners hold seminars for Election Board Officials in different sections of Philadelphia prior to each election. These instructional sessions are also open to the general public.

Election Board officials may also review the blue “General Information and Instructions Re: Voting Rights and Responsibilities of Election Officials” poster found in the Election Materials Box, and which must be posted in the polling place on Election Day.

ELECTIONEERING

Electioneering is not allowed within 10 feet of the polling place (the entrance to the room in which the voting machines are located.) Electioneering includes, but is not limited to:

- Handing out campaign materials
- Placing campaign materials on the same table where the Election Board is sitting
- Telling voters which candidates to support
• Wearing a t-shirt or button supporting a candidate, campaign, or political party (except voters in the act of voting)

VOTING ASSISTANCE

ASSISTANCE FROM ANOTHER PERSON

Eligibility

No persons shall be entitled to voting assistance unless:

1. It is indicated in the voter’s registration record in the Division’s poll book that the voter is entitled to assistance.
2. The voter completes and signs an Assistance Declaration at the polling place, prior to approaching the ExpressVote XL.

A registered voter may obtain assistance from anyone he or she chooses. However, the following individuals are NOT permitted to provide voting assistance:

1. The Judge of Elections
2. The voter’s employer or an agent of that employer
3. An officer or agent of the voter’s union

Voting Assistance Procedures

1. Check the poll book to determine if the voter is eligible for voting assistance. If a voter requests voting assistance, and Election Board Officials have already determined that the voter is eligible using the information in the “Voting Assistance Eligibility” section above, Election Board officials must then review the Assistance Permitted portion of the voter’s registration information in the poll book.
   a. If the “Assistance Permitted” section in the poll book is marked YES, then the voter is entitled to voting assistance. Voters unable to sign must still make a mark in the poll book.
   b. If the poll book is not marked YES, but a voter requests assistance to vote because of disability, blindness, or inability to read or write English, then the voter is entitled to assistance, but must complete an Assistance Declaration form. The Assistance Declaration forms are printed on white paper and are in the Election Materials Box. Once the voter, the individual providing assistance, and the Judge of Elections have completed and signed the Assistance Declaration, the voter is entitled to voting assistance from a person of his or her own choosing (see exceptions above). Voters unable to sign must still make a mark in the poll book.
This procedure also relates to the language assistance provisions on Page 29 and 30 of this Guide.

2. **Complete Record of Assisted Voters form.** The “Record of Assisted Voters” form must be completed by an Election Board Official. It must include the name of the voter receiving assistance, the name of the person providing assistance, and the reason for the assistance.

3. **The voter may cast a vote.** If the voter has been determined as eligible to vote on the Voting Machine the person the voter has selected to provide assistance may enter the Voting Machine booth with the voter. If the voter is required to vote by Provisional Ballot, then the assisting individual may assist the voter in completing the Provisional Ballot and Provisional Ballot Affidavit Envelope B.

4. **Return the Record of Assisted Voters.**

**AUDIO KEYPAD/HEADPHONE DEVICES**

The Help America Vote Act (HAVA) requires that all states and counties use voting systems that are equipped to afford individuals with disabilities the opportunity to privately and independently cast a ballot. Philadelphia County’s ExpressVote XLS are wheelchair accessible and are also equipped with a Universal Voting Console (UVC).

An Election Board Official will find the UVC ready to be connected to the ExpressVote XL designated as the A machine, but it will work on either ExpressVote XL. Election Board officials may not discourage voters from using the UVC if they desire to do so.

**Universal Voting Console.** The Universal Voting Console (UVC) allows voters to vote without using the touchscreen.

NOTE: A visually impaired voter is NOT required to use the UVC if the voter chooses to have an individual provide voting assistance. However, if a visually impaired voter desires to vote without any assistance, Election Board Officials must give the voter the opportunity to use the UVC.

**Initiating the UVC Voting Session.** After the paper ballot is inserted and the ballot displays on-screen, press the Select button. On the confirmation screen, press the Next key. This initiates Assistive Mode on the terminal and produces the Help screen. Press Next to exit or Select to generate a blank screen to provide voter privacy. Assist the voter with adjusting volume, if needed.

**Voting with the UVC.** Voters using Assistive Mode will use both the UVC to navigate and headphones to listen to audio ballot instructions on how to complete their ballot. Headphones
connect to the jack in the lower-right side of the UVC. The voter will use the UVC to make vote selections, finalize, print, and cast their ballot.

**Voting with a Dual-Switch Device.** Voters may use a dual-switch device, such as a rocker paddle or sip and puff device, to navigate through the ballot, make vote selections, finalize, print, and cast their ballot. Dual-switch devices are not supplied by the County, and are brought to the poll site by the voter. Dual switch devices connect to the jack on the lower left side of the UVC.

**EMERGENCY ALTERNATIVE VOTING PROCEDURES**

If a disabled voter is unable to enter a polling place due to accessibility barriers, that voter may apply for an Emergency Alternative Ballot at any time while the polls are open on Election Day. Election Board officials should advise the voter that he or she may travel to the County Board of Elections, Room 142 City Hall, which has been designated as the city’s Alternative Election Day Voting Center, to apply for, and vote by, Alternative Ballot. The “Information Statement on Access to the Election Process for People with Disabilities in the City of Philadelphia” notice in the Election Materials Box, which must be posted in the polling place, has additional information about Emergency Alternative Voting for disabled voters. The disabled voter may fill out a “Designation of Agent” form to designate someone to obtain the application and alternative ballot for them if they are unable to get to Room 142, City Hall.

Election Board officials should advise the voter to call **215-686-3469** for more information about alternative voting procedures.

**LANGUAGE INTERPRETATION SERVICES**

Federal law requires that the City and Philadelphia County Board of Elections make available various means for providing voters with written and oral language assistance in English and Spanish.

*Printed Information and Materials*
All materials needed to enable voters to vote on Election Day are available in both English and Spanish.

*Personal Oral Language Assistance*
The City Commissioners will test, certify, train, and assign Interpreters to provide in-person English/Spanish language assistance in a number of Divisions across the City. Some Divisions in the City may have Interpreters assigned for other languages. In order to serve, or be paid, as a Bilingual Interpreter, an individual must be tested, certified, and trained before the election. All certified Interpreters will bring an Appointment Letter from the City Commissioners to the polling place, listing their assigned Ward/Division. If an Election Board Official is sufficiently
proficient in Spanish, they may be eligible for appointment by telephone, to fill a vacancy on Election Day. If an Interpreter has not been assigned to your division, and you need one, call Donna Bishop at 215-685-4811.

Telephone Oral Language Assistance
Telephone Language Assistance Services are available in the event that a voter requires language assistance and oral language assistance is unavailable at a polling place. This service may be used if there is no Interpreter assigned to a voter’s Division or to another Division located in the same facility, or if none of the Election Board Officials are sufficiently proficient in the required language.

Each Election Board is offered a cell phone for Election Day. The phone may be obtained when Election Board Officials pick up the Division’s Election Materials Box. A blue “Quick Reference Guide-Election Day Phone Interpretation” instruction card, and instructions for operating the cell phone, may be found in the envelope containing the cell phone. The cell phone battery will be fully charged, and the phone is programmed to automatically go out of service the day after the election. The City has contracted with a Telephone Language Interpretation Service to provide Election Day interpretation in 173 different languages. If a voter requires Telephone Language Assistance Services, Election Board Officials should use the cell phone and the blue instruction sheet to assist the voter in obtaining language services.

There is a list of languages printed on the back of the instruction card. If Election Board Officials are unable to determine which language a voter speaks, the voter should point to the correct language on the list. This cell phone may also be used to contact the County Board of Elections for any reason.

Language Assistance from a Child, Relative, Friend, Neighbor, or another Voter
Under Federal and State law, a voter who is disabled or who cannot adequately read or write English can select anyone the voter chooses, including the voter’s minor children, to provide oral language assistance. A voter may NOT receive assistance from the voter’s employer or an agent of that employer, or from an officer or agent of the voter’s union. State law also prohibits the Judge of Elections from providing assistance in voting. However, the Judge may be permitted to provide language assistance if:

1. There is no one else available to provide oral language assistance
2. AND, the Judge speaks Spanish or any other required language proficiently
3. AND, the voter chooses the Judge to provide language assistance. If the voter’s record in the poll book is not marked “Assistance Permitted,” then the voter, the person the voter chooses to assist them, and the Judge of Elections, will have to complete and sign an “Assistance Declaration” form which is available at the polls. The Judge of Elections must also complete the “Record of Assisted Voters” form.

Election Board Officials should check the poll book to determine if the voter is eligible for voting assistance. Refer to the “Voting Assistance Procedures” in this guide for detailed information about Voting Assistance procedures and forms.
AUTHORIZED AND UNAUTHORIZED POLLING PLACE INSPECTORS
AND VISITORS

No person is to be permitted in the polling place except:

- Division Election Board Members
- Voters in the act of voting
- Persons providing authorized voter assistance or language translations
- Certified Poll Watchers
- County election personnel
- Law enforcement personnel summoned by the Judge

Poll Watchers

Official Poll Watchers are issued Watcher Certificates by the City Commissioners, as requested by candidates or political parties, after a review of the potential Poll Watchers’ voter registration files. Watchers do not have to live in the Division in which they watch, but they must be registered electors in Philadelphia. The primary responsibility of Poll Watchers is to WATCH the election process as representatives of their candidate or political party.

Primary Election Poll Watchers
During Primary Elections, each candidate is entitled to request two (2) Watcher Certificates per Division for his or her district. Parties may not request Watcher Certificates during the Primary Election.

General Election Poll Watchers
Each political party is entitled to request three (3) Watcher Certificates per Division AND each candidate is entitled to request two (2) Watcher Certificates per Division in his or her district.

Watchers are only permitted to be issued one Certificate for one Election District, but are permitted to use that Certificate to watch in ANY Ward/Division in Philadelphia. Each Watcher Certificate will have the Watcher’s name, address, and the Ward and Division in which the Watcher has requested to work listed on the certificate. Certified Watchers are permitted to be
present in ANY polling place during Election Day and during the tabulation of results after the polls close at 8:00 PM, in accordance with the following requirements of the Election Code:

1. All Watchers must have a valid Watchers Certificate, issued by the City Commissioners’ County Board of Elections. Each Watcher must carry the Certificate on his/her person at all times during the course of the election. Watchers must show these Certificates upon request to members of the Election Board.
2. During voting hours (opening of polls to closing of polls), only one Watcher for each party or candidate, is to be permitted in the polling place room at any given time.
3. After the polls close, ALL Watchers are permitted inside the polling place to watch the Division vote tabulation.
4. Only when there are NO voters present in the polling place, a Certified Poll Watcher, upon request and presentation of their Certificate to a Poll Official, may inspect the Voting Check List (poll book), ask for the public count from each EVM, and inspect the Number Two and Number Four books during voting hours (7:00 AM-8:00 PM). Once a voter enters the polling place the Poll Official must stop the inspection. Inspection of the voting materials DOES NOT mean the Certified Poll Watcher may handle the materials or remove them from the table where the Election Board Officials are sitting.
5. Watchers MUST remain OUTSIDE the enclosed area – the area directly in front of, beside or behind the voting machines – while in the polling place.
6. Watchers MAY NOT INTERFERE with the voting process. If they believe something to be wrong or irregular in the election procedure, they should report it to their candidate or party.

OPENING AND SET-UP OF THE VOTING MACHINES

There is one Counter/Seal Card in the Election Materials Box. Election Board members MUST write the following numbers on the card:

☐ Write the seal number from the green cover seal from each machine in the appropriate blocks on the counter seal card.

☐ Write the seal number from the green back panel seal (grey panel) from each machine in the appropriate blocks on the counter seal card.

☐ Write the seal number from the green access compartment seal (rear of white panel) from each machine in the appropriate blocks on the counter seal card.

☐ After polls are opened, seal access compartment with yellow plastic seal and write the Seal Number in the appropriate blocks on the counter seal card.

☐ Write the public count number for each machine in the appropriate blocks on the counter seal card. (This number should be zero. Notify the Office of the City Commissioners immediately if the public count is not zero at the start of the day.)

1. **Position the ExpressVote XL** in the desired location, providing enough space on the sides and rear for election officer access.

2. **Connect the ExpressVote XL to power.** The power cord is wrapped on the side of the device. Adapters for different types of outlets will be provided in the back panel of the device.

3. **Power on the ExpressVote XL.** Confirm that the green power indicator light is illuminated on the power status panel. This indicates the terminal is plugged into AC power. Lift the protective screen cover from the touch screen.

   Unlock and open the Access Compartment door on top of the terminal. Inside the Access Compartment, press and release the red power button.
4. **Installing Privacy Curtain & Adjusting Touch Screen Angle.** Remove the curtain assembly from the storage tube on the back of the device. Insert rods into the mounting brackets on either side of the cart. Loosen the white plastic clamps on the assembly to adjust the height, then re-tighten.

5. **Adjusting Touch Screen Angle.** Initially adjust screen angle after transport by holding the top and bottom of the screen and tilting to an angle that is comfortable for most voters. To ensure proper function, voters should adjust the screen to their preferred angle in the same manner. The screen should be adjusted to the vertical position for voters in wheelchairs.

6. **Connecting the Universal Voting Console.** The Universal Voting Console (UVC) allows voters to vote without using the touchscreen. The UVC plugs into the USB port in the backup battery storage area. Thread the UVC wire carefully through the notch in the upper-left corner of the door as you close it. Not doing so could cause damage to the wire. Note: The back door is intended to be snug when closed. When opening, push in on door with one hand while turning the key with the other. Headphones connect to the UVC via the headphone jack on the bottom right corner.

7. **Opening the Polls:** The Poll & Device Status screen will appear once the ExpressVote XL is powered on. Touch *Open Poll*. Enter the Election Code and touch *Accept*. Once the opening procedure is complete the screen will indicate that it is ready to vote.

All observed counts MUST be zero. If the counts are not zero, call the Voting Machine Hotline immediately at 215-686-1590. Place the signed Zero Totals Report in the vinyl USB Results Bag.
OPERATING THE VOTING MACHINE

Initiating a Voting Session. To initiate a voting session, insert the paper ballot into the card slot. Select either English or Spanish from the Language Selection screen and touch Next. Touch Start Voting to display the ballot.

Making Vote Selections on Touch Screen. Touch to select the candidate name or other contest choice. The system displays a check mark and highlights your selection in green. De-select by touching the choice again. If the ballot is too large for a single screen, touch Next Page or Previous Page to navigate. For contests allowing write-in votes, touch Write-in and enter your choice on the keyboard that will appear on screen. Touch Accept.

Note: If a straight Party selection is made and you vote manually in a contest for a candidate of a different party, Straight Party vote(s) for that contest are de-selected automatically.

Verifying Selections & Casting Ballots. After making your vote selections, verify they are correct and touch Print Ballot.

The printed ballot will appear in the preview pane. If the previewed ballot is correct, touch Vote. The printed ballot is deposited into the secure ballot hopper.

If you want to change contest choices after reviewing printed selections, touch Spoil Ballot to cancel the voting session and request a new ballot from an Election Official.
When a voter wishes to cancel the voting session and request a new ballot, they will indicate their desire to do so on the ExpressVote XL, which will cause it to chirp, therefore signaling the Election Official. The Election Official takes the following steps to spoil the ballot and re-issue a new ballot:

1. Inform the voter the ExpressVote XL is calling a poll worker over for assistance and alert them that you will be entering the privacy curtain.

2. Enter the election code onto the ExpressVote XL and confirm the reason for ending the voting session.

3. When the paper ballot ejects, hand it to the voter without looking at their selections and walk them back to the table.

4. Provide the voter with a black marker and “Spoiled Ballot” sticker from the Election Materials Box. Instruct the voter to black out the barcodes and their selections and to place the “Spoiled Ballot” sticker over the barcodes.

5. In the poll book, in the space below their Admission Number, write S1 for the first time they spoil a ballot, S2 for the second time, and S3 for the third time. After the first (S1) and second time (S2) an Election Board Official shall hand the voter a new paper ballot and direct them to the next available ExpressVote XL. After the third (S3) please see step 7.

6. In the 2 and 4 books an S1, S2, and S3 should also be recorded next to the voter’s name.

7. Spoiled ballots should be folded and placed into the Spoiled Ballot Envelope. This envelope will be placed in the Hopper Bag at the end of the night.

8. Voters are only be entitled to 3 total paper ballots. After they have spoiled their third ballot (S3) they should be provided a Provisional Ballot and those procedures should be followed.

When going through the spoiled ballot process, please make sure that the voter’s privacy is respected at all times.
CLOSING THE POLLS

Printing Results Report. The Voting Results report will automatically print when the polls are closed. Seven copies will print.

To remove the USB from the top Access Compartment, pull straight up and place it into the vinyl USB Results Bag. Press the “Power Off” button on the screen to confirm, touch “Shut Down”. Unplug the ExpressVote XL and wrap the cord back up.

Remove and Seal the Hopper. The secure ballot hopper used with the ExpressVoteXL provides a secure storage for printed paper ballots. The secure ballot hopper attaches to the back of the Paper Path Module (PPM) via the green handle at the top of the hopper. The hopper is removed by pushing the bottom green lever within the PPM and lifting it off the mounting hook. After removing the hopper, place the red wire seal labeled “Hopper” through the hole indicated below, so as to seal the metal door on top. Record seal number in the appropriate blocks on the Counter Seal Card.
**Sign the Tapes.** All Election Board Officials MUST sign the bottom of each tape in the provided signature lines.

Place the last tape (the longest printed Election Results Report) from each ExpressVote XL into the RTC Envelope, and then place the RTC Envelope into the vinyl USB Results Bag. The longest printed Election Results Report contains the Write-In votes.

**Pack up the Rear Storage.** Place the UVC and the headphones into the back panel of Machine A along with any unused paper ballots. Then close and seal the back door with the red plastic seal labeled “Rear Door”.

**Return Curtain to Storage Tube.** Dismount the curtain, roll it up, and return it to the storage tube in the back of the ExpressVote XL. Lower curtain rods to their original height.

**Cover and Seal.** Return the screen to the original vertical position. Return cover over the screen and Paper Path Module (PPM). Loop tail underneath the screen so the brass circles are together. Place the plastic red seal labeled “Cover Seal” through both circles.

**ELECTION BOARD PAYROLL**

Please pay special attention in making sure that the payroll form for the Division’s Election Board Officials is filled out completely and properly. Failure to do so can cause delays in payment and confusion for every member of the affected Election Board.

Each Division should have one Judge of Elections, one Majority Inspector, one Minority Inspector, one Clerk and at least one Machine Inspector for a total of five officials per Division. When it gets busy, the Judge of Elections is to help the Machine Inspector operate the second machine. If the Division has three machines, then the law allows a second Machine Inspector.

If a position on the Election Board was vacant on Election Day, please write “none” across the space provided for that official on the payroll form. This will help avoid delays in processing the payroll.
Each Official working on the Election Board must print their name, full address, date of birth, email, full Social Security number (failure to provide your full Social Security number may result in delays in processing your payroll), and telephone number in a clear and legible manner in the designated spaces on the payroll form.

Each official must also place their signature on the line below their printed name. Failure to sign may result in delayed payment.

OTHER MATERIALS

Number 2 and Number 4 Books
The Number 2 and Number 4 books should be placed in the Number 2 and Number 4 envelopes respectively. The Number 2 envelope should be returned to Delaware Avenue & Spring Garden Street in the Election Materials Box and the Number 4 envelope must be taken home by the Minority Inspector for safekeeping for one year.

### VOTING MACHINE TROUBLESHOOTING

**ExpressVote XL Device Turns Off & Will Not Power Back On**

**PROBLEM:** The ExpressVote XL terminal does not respond when you push the power button.

**CAUSE:** The device could be disconnected from AC power and has run out of battery power.

**SOLUTION:** The backup battery for the terminal can power the ExpressVote XL, when fully charged,
for 7 hours. If the terminal loses power, first check to ensure the AC power cord is plugged into both the terminal and the wall outlet. If the terminal is plugged in properly, verify the AC outlet has adequate power. If unable to resolve, call 215-686-1590.

**ExpressVote XL Not Accepting Paper Ballot**

PROBLEM: When the voter attempts to insert their ballot, the ExpressVote XL is not accepting the ballot.

SOLUTION: Depending on the problem, one or more of these suggestions may help:

- Try re-feeding the ballot into the activation card slot, being careful to feed it as straight as possible.
- Check the card to ensure there is no damage. If the paper ballot is damaged, spoil the ballot, and issue another ballot to the voter.
- Verify the correct type of ballot has been given to the voter.

If issues persist, call 215-686-1590.

**Jammed Paper Ballot**

PROBLEM: The ballot is jammed inside the ExpressVote XL Paper Path Module.

CAUSE: Although causes vary, the more typical reasons for card jams are:

- The card was inserted incorrectly, or
- The Paper Path Module rollers are not functioning properly.

SOLUTION: Unlock and open the side access door to the Paper Path Module. Remove the Secure Card Container and open the front transport access panel. Locate and clear the jammed activation card, including all fragments. Spoil the ballot and issue a replacement ballot to the voter.

If you cannot clear the paper jam via the described process without the use of tools, call 215-686-1590.

**System Error During Voting**

PROBLEM: The ExpressVote XL screen displays the following message during a voting session:

“Election Official Message
The system encountered a fatal error. To attempt to continue, turn the power off and then back on. If the problem persists, contact election headquarters.”

SOLUTION: Follow the on-screen instructions and power down the device. Once powered down, turn the terminal back on again. If this does not resolve the problem, call 215-686-1590.

**Internal Flash Memory Card Failure**

PROBLEM: The ExpressVote XL experiences a malfunction of the internal flash memory card and the
system displays an on-screen alert suspending all voting functions.

CAUSE: The internal memory flash card device failed.

SOLUTION: Touch Shut Down. Once the terminal has powered down, set it aside and call 215-686-1590.

Session Timeout & Canceling a Vote Session

PROBLEM: After several minutes, the following message appears on the ExpressVote screen:

“Vote Session Timed Out
There has been no activity for five minutes.
To continue, touch End Voting.”

CAUSE: The terminal has been idle for five minutes during an active voting session.

SOLUTION: If the voter has fled without casting their ballot, then touch “End Voting” and spoil the ballot. If the voter is still voting, they should be allowed to continue voting.

Touch the appropriate reason for canceling the vote session, then touch “Continue”.

Printer Not Found

PROBLEM: A message stating, “Printer not found,” displays on the screen.

CAUSE: The printer door may be open or the printer is not being recognized by the system.

SOLUTION: Check to ensure the printer door is fully closed and latched. If unresolved, power down the terminal and restart the system. If the problem persists, call 215-686-1590.

Calibrating the Touch Screen

PROBLEM: The ExpressVote XL touch screen is not accurately responding to the Voter or Election Official touch inputs.

CAUSE: The touch screen needs to be re-calibrated.

SOLUTION: Call 215-686-1590 to report the issue.
